

Traveling Exhibit Descriptions

Witness to the Holocaust: WWII Veteran William Alexander Scott III

William Alexander Scott III was a student at Morehouse College in 1943 when he was drafted into the U.S. Army. During World War II, he served as a photographer and camoufleur and witnessed the liberation of the Buchenwald concentration camp through the lens of his camera.

Fashioning a Nation

This exhibition explores the powerful history of German fashion from its international impact to its destruction by the Nazi regime. It honors the legacy of the Jewish Germans who contributed to its rise and commemorates the great cultural and economic loss resulting from its demise.
