## **Freda Goodman Biography**

Freda Goodman has been involved with Social Studies education since 1970. Currently she is a Social Studies Coordinator and Instructor with Georgia Virtual School. She recently served as adjunct instructor in Social Studies Education at Kennesaw State University working with a Teacher Quality Grant for Urban Education. Global Education has been a passion for Freda and she is engaged with U.S. IEARN, International Education and Resource Network as a project facilitator and sometimes trainer. She was the Department Chair for Social Studies and Global Studies at Riverwood High School, International Studies Magnet Program until June of 2005. She is certified to teach AP and IB courses. Ms. Goodman currently serves on the Government Relations Committee for National Council of the Social Studies and on the Educator Advisory Committee for the Georgia Commission on the Holocaust. Both of Freda's parents are survivors of the Holocaust.

Ms. Goodman was born in Erding, Germany but considers Baltimore, MD her hometown. She has a BA degree from University of Maryland and an M.ED from Johns Hopkins University. Go TERPS! She has two grown children who live and work in New York. Her son is an artist entrepreneur and her daughter is a neuroscientist working in pharmaceutical research.
